EDUCATION

PhD Economics

Since 2025

KOF Swiss Economic Institute, ETH Zürich

- Supervisor: Prof. Dr. Michael Siegenthaler (ETH Zürich)
- Second advisor: Prof. Dr. David Dorn (University of Zürich)
- Studying how non-wage compensation, wage transparency, and disruptive technologies shape labor market inequality, combining employer review data with administrative records and survey experiments across Germany and Switzerland

MSc Economics

2021 - 2023

Stockholm School of Economics

- Final GPA: 4.34 / 5
- Thesis: [Mind the Gap: Quantifying fraud on Swedish exports using bilateral trade asymmetries](#)

Associate Chartered Accountant

2017 - 2021

Institute of Chartered Accountants in England and Wales (ICAEW)

BSc (Hons) Political Economy

2014 - 2017

King's College London

- Graduated with First Class Honours
- Dissertation title: Welfare programmes available for domestic workers displaced by Free Trade Agreements in the US, the EU, and South Korea

SCHOLARLY WRITING

Peer-reviewed articles

[Bagues, M., Campa P., and Etingin-Frati, G. \(2026\): Gender Differences in Cooperation in Congress: Replicating Gagliarducci and Paserman \(2022\). *Economic Inquiry*, 64\(1\), 199–211.](#)

Peer-reviewed meta-analyses

[Brodeur, A. et al. \(2026\): Comparing Human-Only, AI-Assisted, and AI-Led Teams on Assessing Research Reproducibility in Quantitative Social Science, *PNAS*, 123 \(22\)](#)

[Brodeur, A. et al. \(2026\): Reproducibility and Robustness of Economics and Political Science Research, *Nature*, 652, 151-156.](#)

Working papers

[Etingin-Frati, G. & Marti, N.: The Cultural Cost of Overwork: Evidence from Switzerland's Röstigraben, *Journal for AI Generated Papers*](#)

Policy briefs

[FREE Network \(2024\): Would Electing More Women Make the U.S. Congress Less Polarized?](#)

[FREE Network \(2023\): Environmental Enforcement in the EU: Insights from Administrative Cases in the US](#)

ACADEMIC WORK EXPERIENCE

Pre-doctoral Research Fellow

2023 - 2025

Chair of Globalization and Labor Markets, University of Zurich - Switzerland

- Worked under the supervision of Professor David Dorn on Labour Economics projects, with a specific focus on labour markets, globalisation, and migration
- Independently conducted data analysis on large datasets of both administrative and simulated data using STATA, R, MATLAB, and Python
- Utilized complex empirical methods including Fixed Point Algorithms and machine learning to address data-quality challenges and improve research outcomes
- Prepared project documentation to ensure continuity and replicability of results

Research Assistant

2022 - 2023

Stockholm School of Economics - Sweden

- Worked with Professor Pamela Campa on topics relating to environmental and gender economics, with a specific focus on the US
- Tasks included contributing to both research papers and policy briefs, conducting literature reviews, data collection and cleaning (especially of US census and environmental data), and empirical analysis in R and STATA

OTHER WORK EXPERIENCE

Consultant

2023

Council on Economic Policies - Switzerland

- Conducted country-based tax analyses for various international Ministries of Finance and tax administrations
- Contributions recognised in the Global Tax Expenditures Transparency Index (GTETI) [companion paper](#)

Senior Consultant

2019 - 2021

Consultant

2017 - 2019

EY - UK

- Advised clients on supply chain optimisation and indirect taxation, analysing the economic impact of geopolitical developments and trade policy
- Leveraged large-scale trade datasets (UN Comtrade, Eurostat, World Bank) and data visualisation tools (PowerBI, Tableau) to model complex trade flows and quantify cost-saving opportunities for client deliverables

AFFILIATIONS

Institute for Replication (I4R), Research Fellow

Since 2025

AWARDS / GRANTS

2025

Full PhD funding from the Swiss National Science Foundation for the project “Labor Market Inequality in Modern Labor Markets”, Grant no. [10003451](#) (CHF 519,706)

2023

Christiaan Huygens Reproduction and Replication Prize for best reproduction of a recent empirical paper from the [Institute for Replication](#) (USD 1,500)

SERVICE

Refereeing

European Journal of Political Economy

Mentorship

Since 2025

Graduate Applications International Network (GAIN)

- Mentoring prospective economics PhD applicants from African countries
- Supporting applicants with personalized guidance on school selection, applications, and research careers, with the aim of contributing to a more diverse economics profession
